Title: Finding True Love

Author:

It was here in the
majestic palace of
Nujel'm that I fell for
the man of my
dreams.

He was everything a
woman could ask for,
sweet and charming.
Most of all he was my
friend.

It was here that I
discovered true love
for the first time.

Soon we will be wed
and i am the happiest I
have ever been.

To those who come
upon this book, I offer
some sage advice. The
best love comes from
friendships,
remember this. And
may you all live
happily ever.
